

This wonderful set of linen coasters is sure to add elegance to any table setting, or holiday get-together. Tuck a set into that special holiday hostess gift, in each tin of your holiday baking, or wrapped around a gift of "holiday cheer". Their ease of laundering will allow you to scatter them at all of your holiday soiree's without fear of even red wine.

Each of the four coasters has a different embroidery design and the back is beautifully finished with crisp mitered corners.

All 4 of the embroidery designs for Bee #11 are one colour. Traditional hand sewn filigree embroidery is "tone on tone". This means that the embroidery thread colour matches the fabric for a very subtle look. Our sample is shown with pale pink linen and white embroidery for photography and visibility in the instructions.

SUPPLY LIST

Fabric requirements complete a set of 4 coasters, each 5" square.

For best laundering and pressing results, **White Linen or Cotton Fabric** (or a blend of both) and **Polyester Embroidery Thread** are recommended.

Preshrink the fabric for best results.

Also, the finishing stitches are sewn with coaster upside down, therefore, polyester bobbin will help to keep a uniform, finished look.

- (4) 7.5" (19cm) squares White Linen, Cotton, or a blend of both.
- (4) 5" (12.5cm) squares White Linen, Cotton, or a blend of both.
- (4) 8" squares Iron-on Fusible Interfacing (iron to wrong side of each 7.5" square)
- White Polyester Thread (roll 1-2 bobbins to match)
- Minimum Embroidery Hoop 3" x 3" (7.5cm x 7.5cm)
- (4) 5" (12.5cm) squares Medium weight Tear-away Stabilizer
