

## Turkey Wallhanging

by Marlene

You can have this stitched out and ready to hang when the kids/grandkids are busily sorting their loot the day after Halloween!

This set has 10 Designs for the 5x7 hoop

### **Supplies:**

- Beige felt
- Yellow felt
- Fabric or craft glue
- Ribbon, cord or string

This is an Applique Design - if you are unfamiliar with this type of embroidery, please see our instructions here:

You can find several other articles and tips about Applique by clicking on Articles at the top of the website and typing "Applique" into the search box.

### **Instructions:**

1. Stitch designs
2. After tearing away the stabilizer put together as shown in the pictures

3. Feathers - position the left and right feathers and glue edges together as shown

Center the head over the feathers - put a couple dabs of glue on the back of the head to hold all three pieces together

4.

Pumpkin or Sunflower - put a strip of glue on the top front edge and attach to the back of the collar feathers

5.

Legs - Add a small strip of glue to the front top edge. Center the top of the pants to the bottom backside of the pumpkin or sunflower as shown.

6. Add a ribbon, string or cord to hang.
