

Appliqué Coaster – Acorn  
Clipart purchased from Stitch Art Cafe

This is a Trim-As-You-Go Appliqué coaster.  
**Do Not Remove Fabric From Hoop Until Design is Completely Finished**

### Materials Needed

Small pieces of fabric for acorn top & bottom. Can you different fabric if you wish.

Felt for backing

Vinyl for backing (optional)

### Fabric Placement

Hoop Cut Away Stabilizer

Color 1 – (tan) shows placement of fabric outline. Lay piece of fabric (right side up) over stitching lines - using basting spray, fabric glue stick, or pins to hold in place.

Color 2 – (tan) tacks fabric down. Trim fabric around stitching line.

Color 3 – (tan) shows placement of fabric outline. Lay piece of fabric (right side up) over stitching lines- using basting spray, fabric glue stick, or pins to hold in place.

Color 4 – (tan) tacks fabric down. Trim fabric around stitching line.

### Embroider Design

Color 5 – Tan or brown

Color 6 – Black

After color 6, trim all jump stitches and trim up loose bobbin threads on the back.

**----- Do Not Remove Fabric From Hoop -----**

### Applique Backing of Coaster

Color 7 – (tan or brown) shows placement for applique backing. Place fabric backing onto back of embroidery --- using basting spray, fabric glue stick, or tape to hold in place. I sometimes use a layer of felt & vinyl (to waterproof) instead of fabric.

Color 8 – (tan or brown) fabric tack down. After color 8, carefully remove hoop from machine Do Not Remove Fabric From Hoop.

Turn hoop over and carefully trim backing fabric around stitches. Return hoop to machine

Color 9 – (tan or brown) change bobbin thread to match Satin Stitch Border

Remove fabric from hoop and trim around coaster. Enjoy.
