

Valentine Bag Toppers

Materials:

Stiffened Felt ~ available at JoAnn's (Friendly Felt) or most craft and fabric stores. (Do not use regular craft felt, it is too flimsy).

Tear away Stabilizer

Desk Stapler

3"x 4" high re-closable bag

Colors listed are suggested only

The borders and lettering look great when you use a multi-color thread

For all bag toppers:

1. Hoop tear away stabilizer
2. Cut 1 piece of stiffened felt to fit inside the 4x4 hoop
3. Place stiffened felt in center of hoop
4. Then follow instructions for individual toppers below
5. When finished remove & cut around outer edge of square, fold in half & staple bag in between front & back.
