### General Instructions

#### #1 Tag outline

Place your material or felt over outline stitch, glue with washable glue stick or tape into place.

You could also repeat the 1st color to secure.

#### #2 Happy Halloween

#### #3 main design

T

The next colors can be done in the same thread

Place a piece of fabric on the backside or bottom of hoop. This is so that the stitches will not show. Glue with washable glue stick or pin in tape in place

#4 outline stitch

At this time you can trim front and back like applique or use a decorative scissors when finished.

#5 zigzag tack down stitch

#6 outline for hole

You can carefully cut out the hole, cutting thru all layers or use a scrapbooking hole punch.

#6 zigzag outline for hole

For the next 2 colors you need to be sure that your bobbin thread matches the top thread

#7 satin stitch outline for hole

#8 satin stitch outline for tag
