

## In the Hoop Mitten Banner

### Supplies:

Fabric of your choice

Thread

Ribbon of your choice

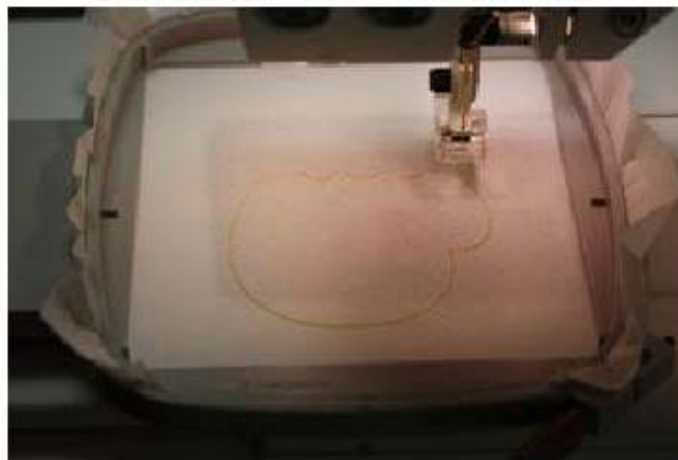

Med weight Tear-a-way Stabilizer or Vilene

**NOTE:** If using cotton fabric its best to iron on a light weight interfacing to back of fabric.

### Step 1

Hoop stabilizer and place hoop on machine.

Stitch CC-1, this is a placement stitch.

Supplies:

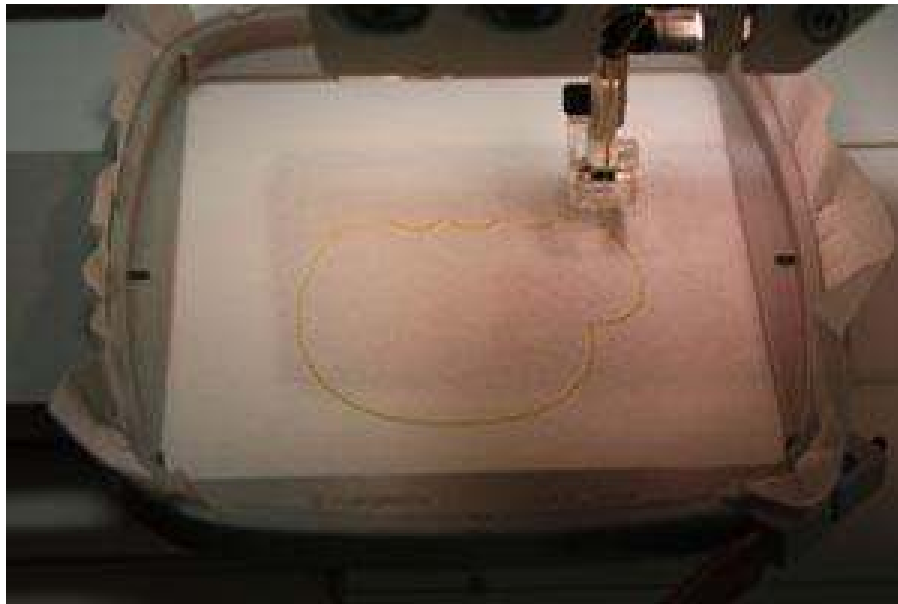

Fabric of your choice Thread Ribbon of your choice Med weight  
Tear-a-way Stabilizer or Vilene

interfacing to back of fabric.

CC=Color Change

## **Step 1**

Hoop stabilizer and place hoop on machine. Stitch CC-1, this is a  
placement stitch.

## Step 2

Place your fabric over placement stitch making sure it covers well. Stitch CC-2, this will tack down fabric to stabilizer. Once it is tacked down remove hoop from machine and trim as close as possible to the stitching line. Place hoop back on machine.

Step 3 Stitch CC-3, this is placement stitch for top of mitten.

## Step 4

Place your fabric over placement stitch making sure it covers well. Stitch CC-4, this will tack down fabric to stabilizer. Once it is tacked down remove hoop from machine and trim as close as possible to the stitching line. Place hoop back on machine.

Stitch CC-5-6 & 7, this is the stars, outline of stars and the large letter.

Step 5 Slide your backing fabric under hoop right side facing down and then stitch CC-8. This will tack back fabric to hoop. Once it is tacked down remove hoop from machine and trim as close as possible to the stitching line. Place hoop back on machine.

Step 6 Stitch CC-9-10 & 11, this is the bottom satin (mitten), top satin(cuff) and the button holes. Remove from hoop. Make all the letters in your phrase and then add ribbon, hang and you're finished.

Hope you enjoy making them!
