Project of the Week - Tea Bag Holders

These Tea Bag Holders have been created for the 4 x 4 hoop so everyone can create them. Heidi's expertise in digitizing has made them quick-tostitch. All of the holders can be personalized!

In addition to different occasions (weddings, bridal showers, anniversaries, birthdays, graduations), we also have many tea bag holders for different charitable +/or support organizations. The Tea Bag holders can be used as fundraisers or giveaways for all kinds of events!

They are easily tucked into a letter or a card and mailed to friends and family near and far.

Stiff felt (can be purchased in any craft store – these are larger than the felt squares, we used "Easy Felt") These are larger than normal felt squares.

Cutaway stabilizer
Ribbon - 1/4-3/8”wide, 15-16” length
Spray adhesive (optional)

Directions:

1) Hoop Stabilizer

2) Cut stiff felt to fit the inside of your hoop (it should stay in place without needing adhesive spray, we used the spray on the first one but found it to be unnecessary)

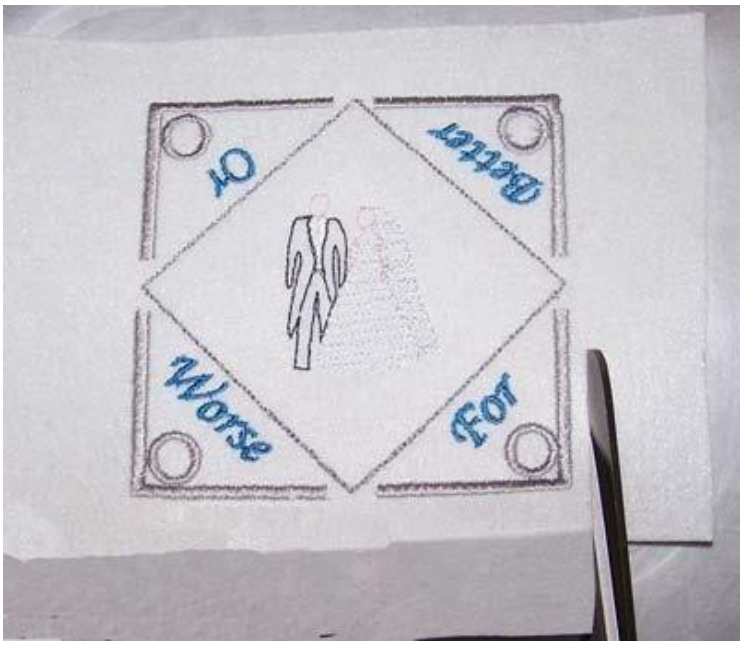

3) Place stiff felt in hoop

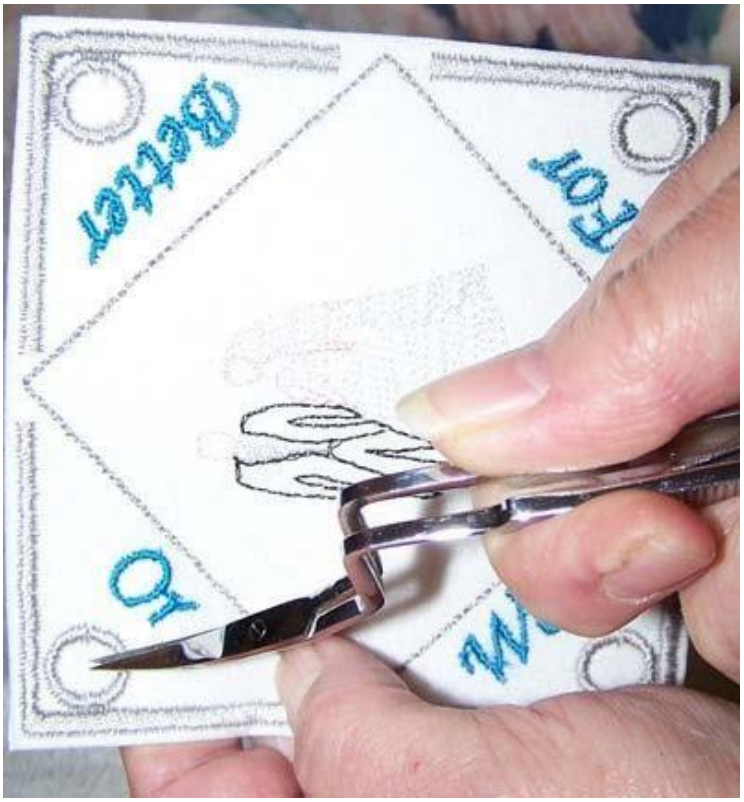

4) Stitch design

5) Remove from hoop and trim close to outside edge of satin stitch

6) Punch hole inside embroidered circles for ribbon

7) Fold corners edges along stitch line towards inside

😎 Bevel ends of ribbon to allow for easier lacing

9) Begin lacing the ribbon by inserting from top to bottom on two opposite corners

10) Lace one of the other corners from bottom to top

11) Slide tea bag into holder

12) Lace remaining ribbon from bottom to top

13) Tie into bow (if you want to add a tag, slide it onto ribbon at this point)

Add-ons

1) Tie one of the Tea poems or blank tags onto the bag by inserting the ribbon through the hole just before tying

2) Write your own note (i.e. Support The Animal Shelter, or To: From:) on one of the tea pot shapes and attach with the ribbon
