

INSTRUCTION

Option 1

1. Download the design from the website to your computer.
2. Unzip the file. Upload the embroidery file to your machine.
3. Hoop 2 layers of water-soluble mesh. Embroidery the design.
4. Rinse the stabilizer in lukewarm water and leave to air dry. Press with steam.

5. Put the motif on the napkin

6. Stitch the zig-zag stitch on your machine

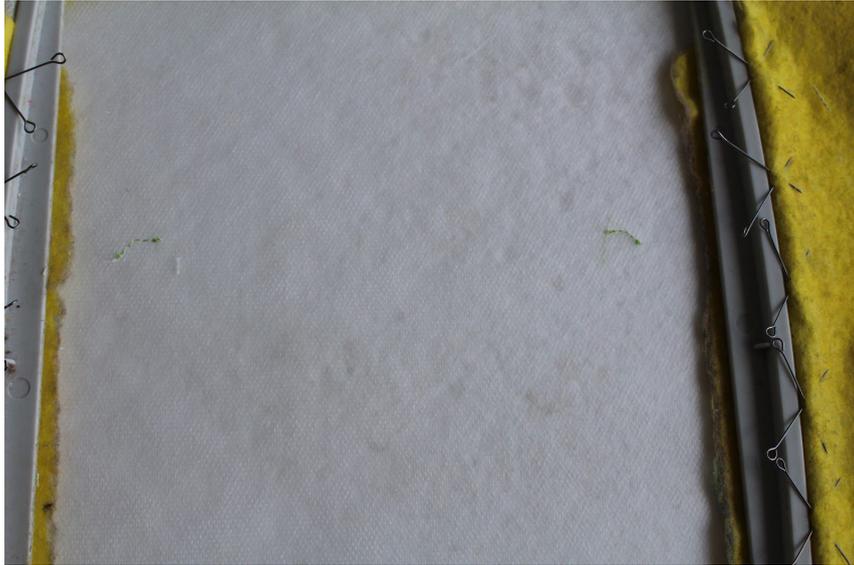

7. Cut the napkin along the contour

Option 2
Stitch Color 1

Put napkin right side down Align the contour on the line

Stitch Color 2

Cut the napkin along the contour

Embroider the design completely

Rinse the stabilizer in lukewarm water and leave to air dry. Press with steam.

It is important

Always make a test stitch-out of the design and wash away the stabilizer. This helps you to select the threads, needles, stabilizers and settings of your machine correctly.

To get 2-sided embroidery you should use the same thread for the needle thread and bobbin thread.

Thank you for your purchase.
