Materials /Cutting Chart

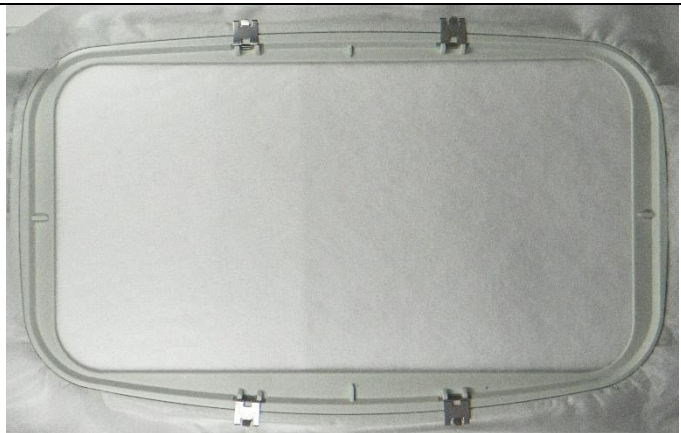

Water Soluble Stabilizer	Enough for a 5 x 7 inch embroidery hoop for each Mandala design
Sparkle Organza	5.5 x 6 inches (These can be sewn without organza, but the organza adds such depth to the design)
Threads of Choice	Use same color in bobbin as in needle as it will be seen from front and back.

The Color Sequence Chart below will be reference throughout these instructions.

Color Sequence:

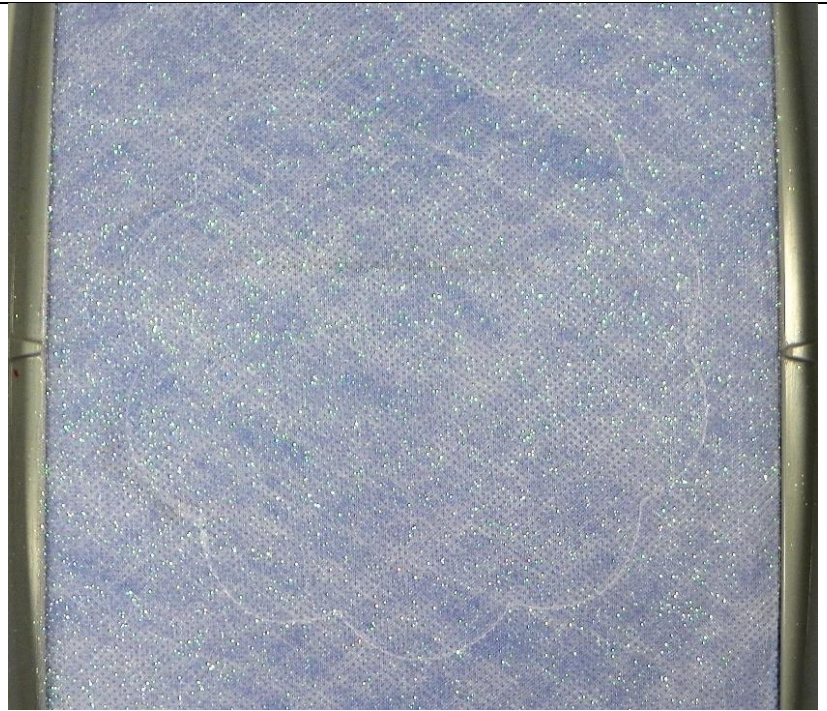

1. Hoop the water-soluble stabilizer in a 5 x 7 inch embroidery hoop and attach to machine.
2. Transfer design to embroidery machine.

3. Sew #1 in the Color Sequence Chart. These stitches will create the placement stitches for the project.

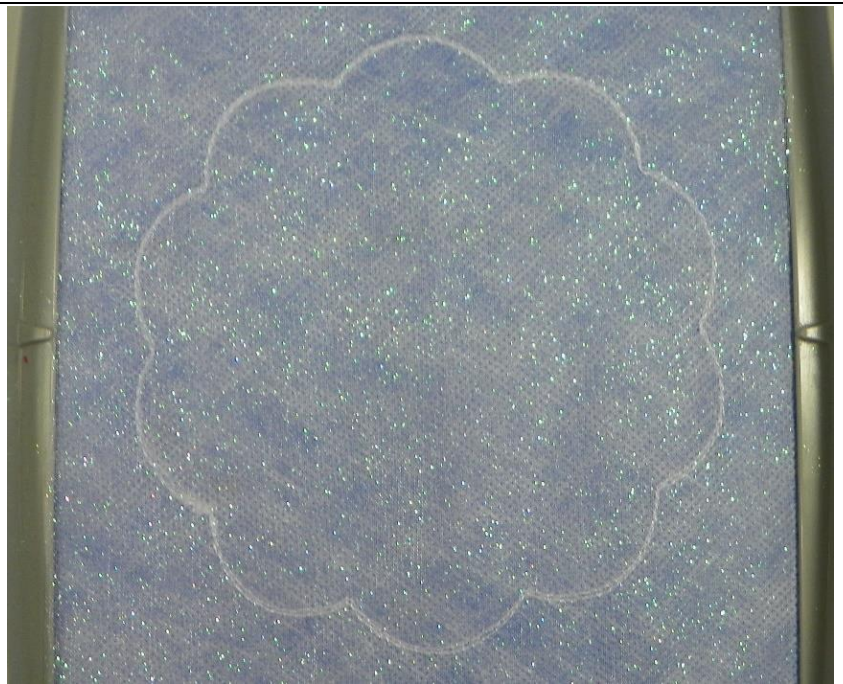

4. Remove hoop from machine and place the “sparkle organza” over the placement stitches. Tape in place.

5. Return hoop to machine and sew #2 in the Color Sequence Chart. These stitches will attach the organza to the stabilizer.

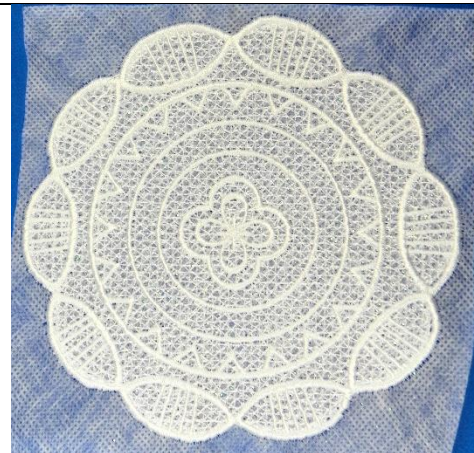

6. Remove hoop from machine and cut away excess organza from around the outside of the project outline.

7. Return hoop to machine and sew #3 in the Color Sequence Chart. This will complete the design.

8. Remove hoop from machine and project from hoop.
9. Cut away stabilizer.
10. Place in warm water until the stabilizer falls away.
11. Place lace mandala on a paper towel and blot. Let dry.

12. Your project is now complete.

The same instructions can be followed to sew the other two designs in this set. The Color Sequence Charts for the other two designs are below.
