

FSL-Golden Bookmarks-5x7-CF-NLS

Instructions

NLSEE1978-5x7

NLSEE1979-5x7

NLSEE1980-5x7

NLSEE1981-5x7

These bookmarks are stitched on **two layers of water-soluble stabilizer**. When stitching the designs, it is important to use the same color thread in the **needle and bobbin**, as the bookmarks can be viewed from both sides. I stitched the background lace in white, but any color can be used, as long as the needle and bobbin thread match for each step in the Color Sequence Charts.

I have included the Color Sequence Charts for each of the bookmarks below.

Color Sequence:
