Step 34:

We put all the pieces together.

**Step 35:**

With the help of a needle and thread or some type of textile glue, Join the window head part, which will be the top center part, and the windows will be the center part. Join the part of the flowers and the bunny with the parts of the window, fixing the endings in the back parts as the reference image suggests.

Use complementary decoration.

Have fun doing this beautiful project.
