

# ITH Tea House Clock

The best ITH Tea House Clock ever! ITH Tea House Clock is made with fabric, just take all the work out of the project. Make these in less than 50 minutes.

**Skill Level:** Beginner

**Time Required:** 00:50 minutes.

## **Materials:**

- 5" x 7" - 6" x 10" - or an extra-large embroidery hoop.
- Fabric in your favorite colors.
- 2.5-ounce Cut-away Stabilizer.
- Batting.
- Repositionable adhesive spray.
- Fabric scissors.

## **Designs used in this project:**

**Step 1:**

For the upper house part tautly hoop 2.5-ounce cutaway stabilizer in your embroidery hoop and run color-stop 1 as a placement line.

Remove the hoop from the machine, do not unhoop. Cover the placement line with batting with the help of the repositionable adhesive spray, and run color-stop 2 and 3.

**Step 2:**

Run color-stop 4 as a placement line. Cover the placement line with yellow fabric with the help of the repositionable adhesive spray, and run color-stop 5. Cut the excess fabric.

**Step 3:**

Run color-stop 6 as a placement line. Cover the placement line with brown fabric with the help of the repositionable adhesive spray, and run color-stop 7. Cut the excess fabric.

**Step 4:**

Run color-stops 8 and 9.

**Step 5:**

Remove the hoop from the machine, do not unhoop. Cover the back of the hoop with white fabric with the help of the repositionable adhesive spray and run color-stop 10.

**Step 6:**

Remove the project from the hoop. Cut out the outline of the design, with sharp scissors, and save it for later.

**Step 7:**

For the lower house part tautly hoop 2.5-ounce cutaway stabilizer in your embroidery hoop and run color-stop 1 as a placement line.

Remove the hoop from the machine, do not unhoop. Cover the placement line with batting with the help of the repositionable adhesive spray, and run color-stop 2 and 3.

**Step 8:**

Run color-stop 4 as a placement line. Cover the placement line with yellow fabric with the help of the repositionable adhesive spray, and run color-stop 5. Cut the excess fabric.

**Step 9:**

Run color-stop 6 as a placement line. Cover the placement line with green fabric with the help of the repositionable adhesive spray, and run color-stop 7. Cut the excess fabric.

**Step 10:**

**Step 22:**

Run color-stop 7 as a placement line. Cover the placement line with white fabric with the help of the repositionable adhesive spray, and run color-stop 8. Cut the excess fabric.

**Step 23:**

Run color-stop 9 through color-stop 15.

**Step 24:**

Remove the hoop from the machine, do not unhoop. Cover the back of the hoop with white fabric with the help of the repositionable adhesive spray and run color-stop 16.

**Step 25:**

Remove the project from the hoop. Cut out the outline of the design, with sharp scissors, and save it for later.

**Step 26:**

We put all the pieces together.

**Step 27:**

With the help of a needle and thread or some textile glue.

The lower house part will be the center part. Join the part of the lower to the upper part, fixing the kettle endings in the back parts of the clock. Put the clock in the center of the house at the height you prefer. As the reference image suggests

Use complementary decoration.

Have fun doing this beautiful project.
