The Moon will be the upper center part. Join the ribbons in the back part of the moon, fixing the stars and the clouds in the ribbons one under another. Do the same, sticking the other stars and the clouds in different positions. Then fix the heart in the ribbon of the center in the lower part, and finally join the fox in the front part of the moon at the height you prefer. As the reference image suggests

Use complementary decoration.

Have fun doing this beautiful project.
