

Instructions

Thank you for purchasing my design!

- ***Use thread in the colours of your choice and a number 70 or 80 needle.***
- ***Remember to use the same top and bottom thread to perfect result.***
- ***Use 2 layers of the water soluble stabilizer in the hoop.***

1. Embroider 3 parts of bow(the bottom part of the bow has a choice of two types. You can choose any of them)

KateGalleryEmb Designs for Embroidery machines

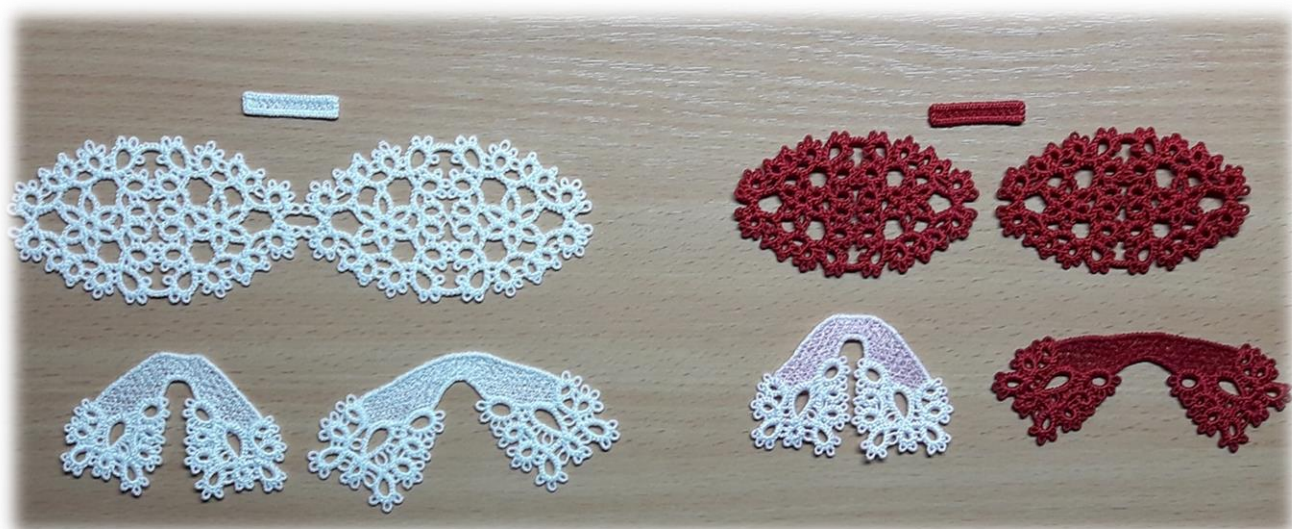

If the size of your hoop is 4x4", embroider 2 piece - the top of the bow (file1).

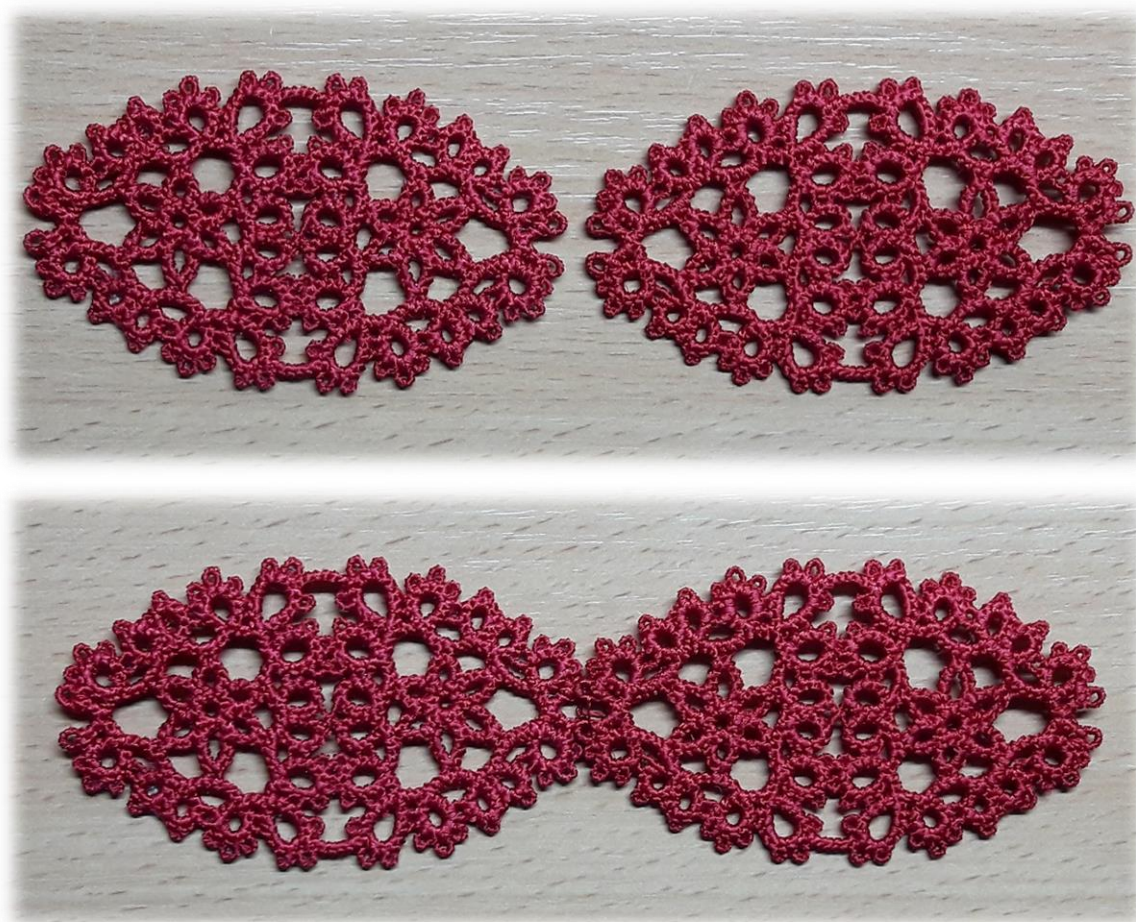

2. When stitched, place in warm water untill soluble dissolve.

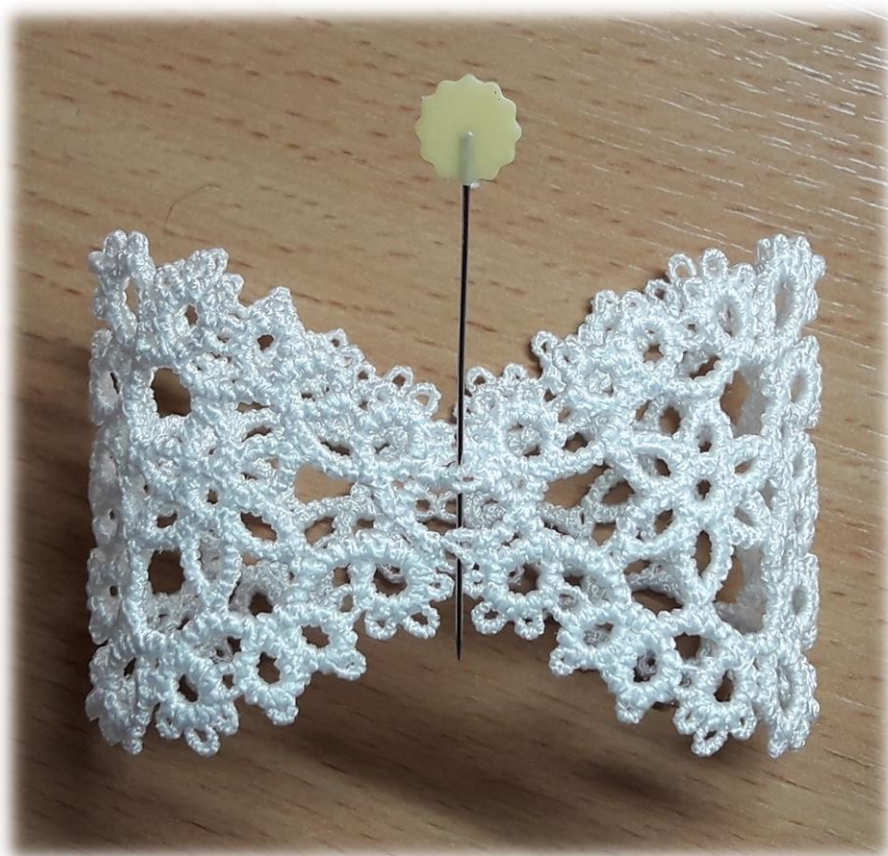

3. *Dry and iron the parts of the bow.*

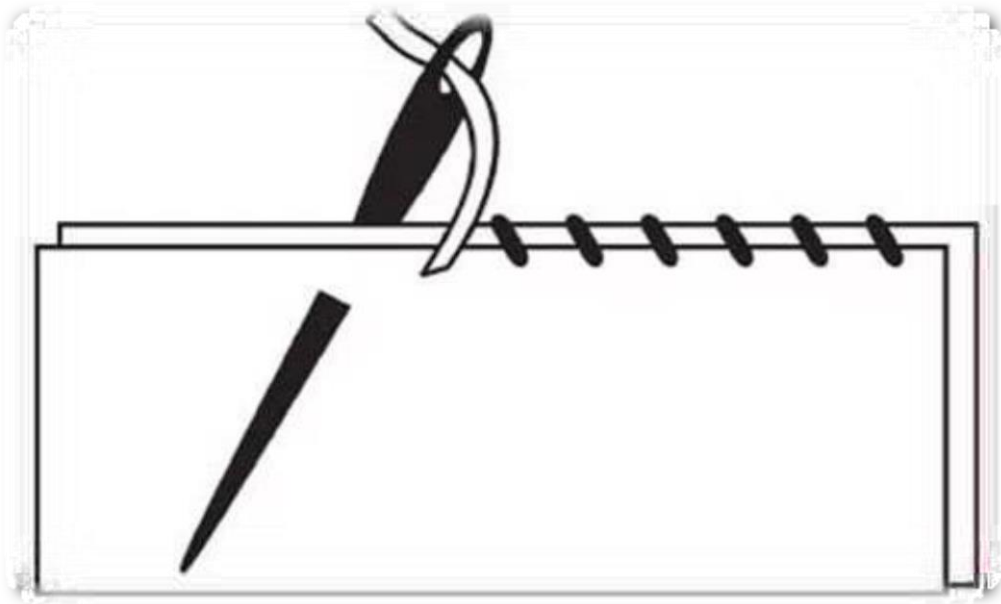

4. *For hoop 4x4", first sew two parts of the top of the bow. Then you need to sew top part of the bow where shown on the photo.*

Sew with such a seam

5. Then fold the top and bottom of the bow as in the photo.
In the center can be fixed with stitches or glue.

6. *Then take center part of the bow(narrow strip, file 2).
Wrap the center of the bow and sew as shown in the photo.*

*Combine thread colors and parts of the bow and get many kinds of different bow for your ideas!
You can also decorate bows with beads, sequins, etc.*

Enjoy the result of your work!

Thank`s for your interest to my work. I would be very grateful for your feedback on Etsy.

I will be glad to see you again in my store!
